

JANUARY 2012

Welcome to the year 2012! We have lots of exciting themes and projects planned for this month. Our themes are, **Winter, Hibernation, Outer Limits (Space), Planes, Trains, and Automobiles, and Pet Week.** Also, during the month of January we will be learning about the number 5, the *rectangle* shape, the letters *Ii* and *Jj* and the color *blue*.

During the first week of January, we will talk all about the winter. The children will make their own snowman and will paint snowflakes. During the second week of the month, we will learn all about hibernation and which animals hibernate during the winter. Outer limits is our following week's theme. We will talk about the stars, moon, and what planet we are from. The fourth week is all about planes, trains, and automobiles. We are going to be making our own paper airplane. Lastly, it's pet week. The children will talk about what pets they want.

Reminders

~Please make sure to send your child with the proper eating utensils.

As always if you have any questions please feel free to ask me.

Ms. Felicia
