

January 2012

Before and After School Age Program

Welcome to 2012! I hope everyone had a fun and safe new year! I would like to thank all the parents that helped bring in refreshments for our holiday party last month! The children loved having Santa visit and of course opening their gifts!

This month we will be doing our regular routine with our monthly calendars. The children are going to enjoy making lots of winter crafts. They will be making snowflakes, snowmen, and even creating their own wintery picture.

Please try to bring in snow pants, boots, hats, and gloves with your child's name labeled. I would like to have fun with the kids and take them out in the snow when we have days off from school.

We have one special birthday this month, Happy Birthday Hope!

Important Dates:

Monday, January 2nd: No Public School/ Kalia Closed

Monday, January 16th: No Public School/ Kalia Opened (Hope's Birthday!)

Thank You,

Miss. Felicia
